HashFast LLC, Case No. 14-30866)

Chapter 11

**AMENDED VERIFIED STATEMENT OF
GALLO LLP UNDER RULE 2019**

Judge: Hon. Dennis Montali

1 Rule 2019(b) applies to unaffiliated creditors acting in concert. We have no
2 reason to believe Gallo LLP's 81 unaffiliated clients have any agreement among them,
3 express or implied, regarding the Hashfast bankruptcy or otherwise. Gallo LLP has a
4 separate, written, individually executed agreement with each of them and no joint
5 agreement with any of them. In sum, our clients are not acting in concert to our
6 knowledge and as we understand that term. We have other questions about whether 2019
7 applies to us acting as a law firm on behalf of individual clients.

8 But we have and will often speak for our clients as a group, we believe at least
9 some of our clients sought that advantage in engaging us, and we believe at least some of
10 our clients sought to engage an attorney jointly with other Hashfast customers because
11 sharing an attorney likely would be more cost effective. Accordingly, in an abundance of
12 caution, Gallo LLP files this amended Rule 2019 statement. We do so without prejudice
13 and reserving all rights, however, and we decline to disclose attorney-client privileged or
14 other confidential matter, such as the content of our agreements with our clients.

15 1. Gallo LLP currently represents 81 creditors of Hashfast. All are customers
16 of Hashfast who purchased and paid for goods (Bitcoin mining equipment) from
17 Hashfast. Time was of the essence. One of these creditors received defective goods.
18 Eleven of these creditors received only partial delivery. The remaining 69 creditors never
19 received any of the products they paid for at all. These 81 creditors' names, addresses,
20 and dates of retaining Gallo LLP as their attorneys are reflected on Exhibit A attached
21 hereto, which is incorporated by this reference as though repeated here. Exhibit A further
22 states (without prejudice and to our current knowledge and calculation) the value of each
23 creditor's claim on the date of acquisition, and the date of acquisition.

24 2. As reflected on Exhibit A, each of these creditors retained Gallo LLP as
25 his or its attorney by signing one of three different written agreements for professional
26 services, hereafter referred to as (a) the Hee Agreement, (b) the Mass Arbitration
27 Agreement, or (c) the Bankruptcy Agreement.

28 3. The facts and circumstances relating to with Gallo LLP's employment by

1 these persons are as follows:

2 a. Gallo LLP has represented Hamilton Hee since about January 22, 2014
3 when Mr. Hee retained Gallo LLP to represent him in the arbitration of his
4 claim against HashFast Technologies, LLC. Hee is the claimant in the
5 JAMS arbitration styled *Hee v. HashFast Technologies, LLC*, JAMS
6 Reference number 1100076574. That proceeding was stayed by the
7 commencement of this bankruptcy case.

8 b. Gallo LLP has represented signers of the Mass Arbitration Agreement
9 beginning on or about January 14, 2014 when the first of these 18
10 individuals retained Gallo LLP to prosecute refund claims against
11 HashFast Technologies, LLC in arbitration. The last of these individuals
12 retained Gallo LLP on or about May 7, 2014. Each of these 18 individuals
13 is a claimant in one of two arbitrations pending before JAMS: *Alary, et al.*
14 *v. HashFast Technologies, LLC*, JAMS Reference Number 1100076577,
15 and *Ash, et al. v. HashFast Technologies, LLC*, JAMS Reference Number
16 1100077381. Both of these proceedings were stayed by the
17 commencement of this bankruptcy case.

18 c. Gallo LLP has represented signers of the Bankruptcy Agreement
19 beginning on or about May 22, 2014 when the first of 62 additional
20 HashFast creditors retained Gallo LLP to represent them in this
21 bankruptcy case.

22 4. Gallo LLP has individual, signed, written contracts for legal services with
23 each of the 81 aforementioned creditors whom we currently represent in this case. We
24 anticipate that we may represent additional creditors.

25 5. To the best of our knowledge neither Gallo LLP, nor its members, nor any
26 of its employees own, nor have any of them ever owned, any direct claim whatever
27 against the debtor in this case, nor any equity securities of the debtor. We are a law firm
28 and do not compete with the debtor. We do not mine bitcoins or manufacture Bitcoin

1 mining equipment or components. Without waiving the attorney-client privilege, we note
2 that by operation of law and/or pursuant to the terms of our written agreements with our
3 clients, depending upon those terms (which we decline to disclose), and in connection
4 with our work on our clients' behalf, Gallo LLP could have or acquire liens against or
5 other interests or contingent interests in our clients' claims against Hashfast that would
6 arguably constitute an indirect interest in or claim against the debtor.

7 6. On the dual grounds of (1) attorney-client privilege, and (2) having no
8 factual basis to believe that our clients are acting in concert and therefore believing that
9 Rule 2019 does not presently apply to our efforts, we decline to disclose our fee
10 arrangements with our clients, or any other privileged matter contained in those
11 privileged agreements or otherwise.

12 DATED: October 13, 2014

RESPECTFULLY SUBMITTED,

GALLO LLP
